# Pet Friendly Hotels Motels

**where could my boyfriend, 2 small dogs, and me go for a short 2 day 1 night vacation in the northeast usa?**

*my bf and i are looking for something fun to do with my 2 dogs... we like cute little towns with shopping (have to be dog-friendly) and site seeing. we would also need a pet friendly hotel, motel, inn, or b&b.... does anyone have any ideas?*

I gotta recommend Cape Cod in Massachusetts, Such a lovely place, even this early in the spring. I think you can google Cape Cod B&B and find literally dozens of nice Places to spend two days. :)

**Pet Friendly Motel in Traverse City Hotel area, (231) 947-9410**
